

Red-Tailed Hawk

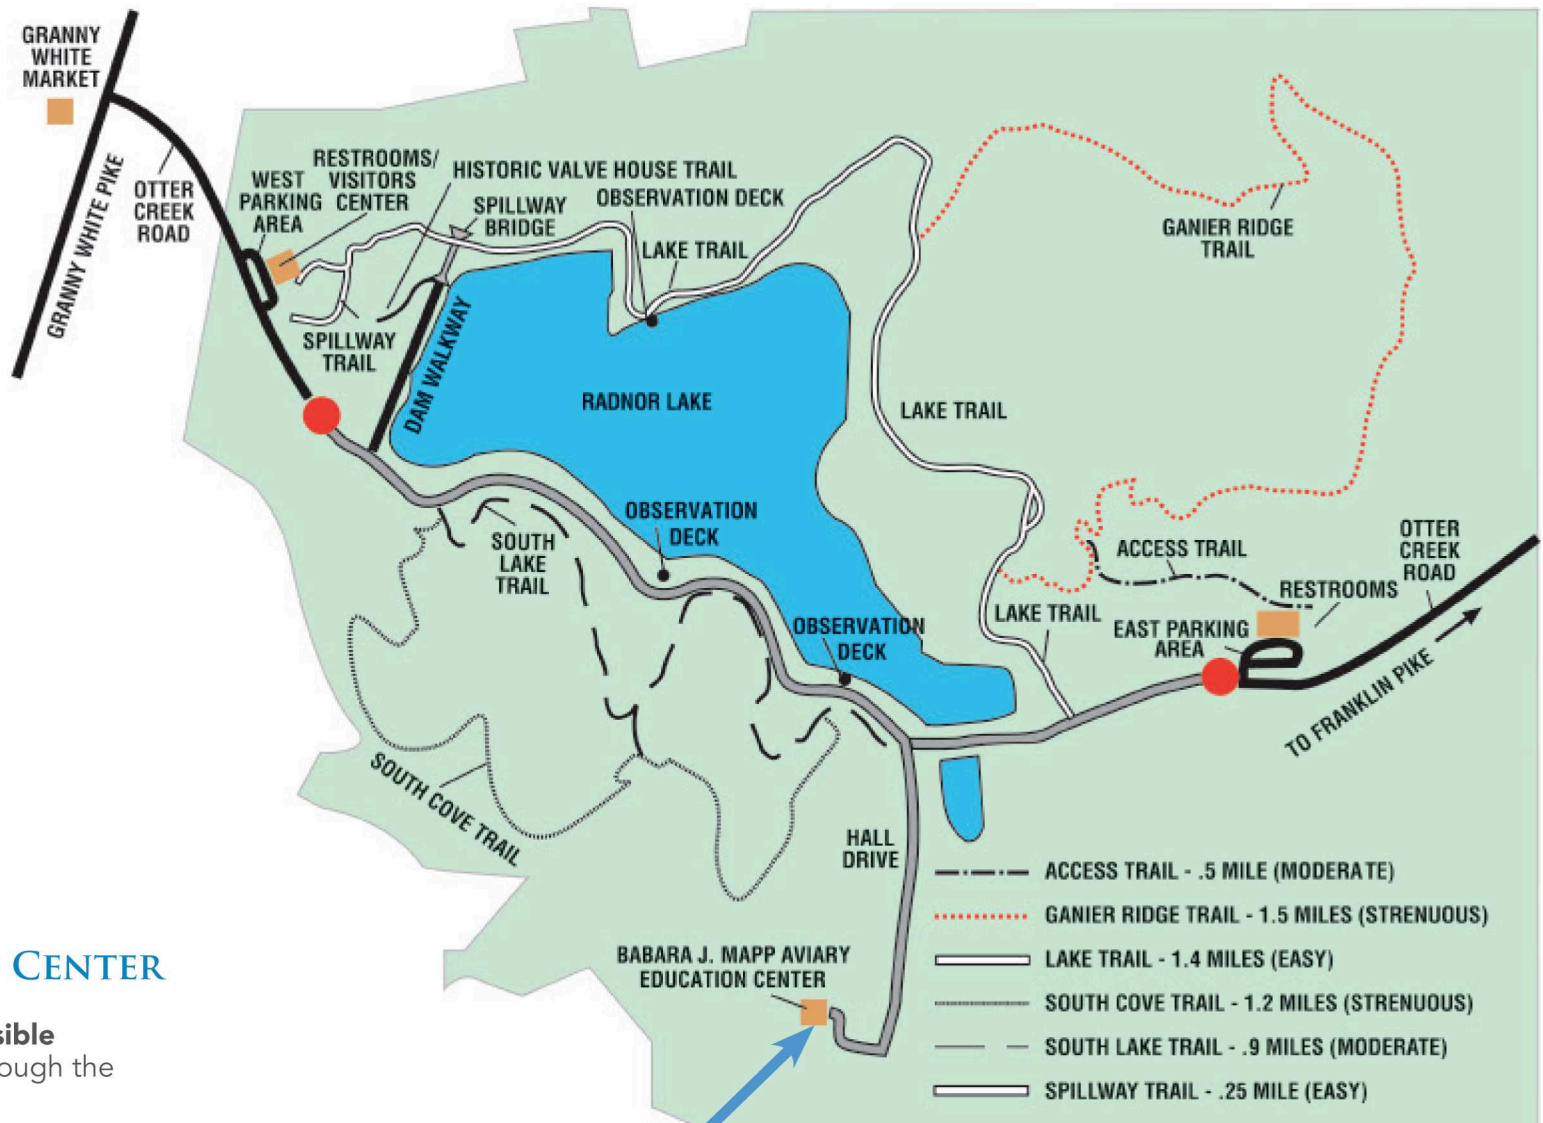

BARBARA J MAPP AVIARY EDUCATION CENTER

550-foot wheelchair accessible boardwalk leads visitors through the aviary for up close viewing.

Amphitheater provides outdoor space for ranger-led educational programs.

Raptor condo enclosures provide habitat for injured non-releasable birds of prey, such as great-horned owls, red-tailed hawks, and American Bald Eagle.

Flighted eagle aviary, when complete, will house two American Bald Eagles, provided by our partners at the American Bald Eagle Foundation.

The Barbara J. Mapp Aviary Education Center is at the top of Hall Drive, off of Otter Creek Rd.

Directions: From West Parking Visitor Center, Otter Creek Rd. to Hall Drive to Aviary - .8 miles. From East Parking, Otter Creek Rd. to Hall Drive to Aviary - .5 miles. The hike up Hall Drive is paved but steep.

Barbara J. Mapp Aviary Education Center hours:*

Wednesday 7:00 a.m. – 1:00 p.m.
Saturday 1:00 p.m. – Sunset

*To minimize stress on the birds, initial public hours will be limited to a two day a week schedule. We appreciate your patience as we welcome the birds to their new home.

Please visit RadnorLake.org for additional hikes, tours and programs.
